

**LED QUICK
REFERENCE
GUIDE
MARCH, 2017**

We are pleased to present the latest edition of our Lamp Specification Guide. Many new lamps and accessories have been added, and each section is color-coded and arranged to make finding the right product easy.

Brilliance

Satco is committed to providing unsurpassed quality, service and product assortment. Many of our product categories are supported by merchandising systems, displays and a selection of attention-getting point of purchase materials. These efforts, along with our strategic locations, make Satco the preferred choice in light sources and electrical related products.

At Satco, our business isn't about us. It's about you and your business.

Satco and our Nuvo® and Hygrade™ brands have grown to be industry leaders by offering you the widest selection of lamps, fixtures and lighting components.

The most innovative technology.

The highest standards of quality and efficiency. And a reputation for service earned one customer at a time for almost 50 years.

Satco. Setting the standards.

With a vast catalog of products built to the highest quality standards, massive inventories, a highly automated nationwide distribution network, and a growing investment in research and development, few lighting manufacturers can match Satco's depth of industry experience.

The widest selection.

Satco keeps homes across North America lit through the thousands of retail outlets we supply with replacements lamps and consumer lighting accessories.

The residential and commercial building trades rely on Satco's comprehensive line of fixtures, track and outdoor lighting and lamps, which are widely available through electrical distributors across the country.

Lighting fixture manufacturers turn to Satco Logistics for on-time shipping of thousands of component parts in orders of any size, including lamps, ballasts, sockets, switches, cords, canopies and glassware of every description.

The most innovative technology.

Over the years, Satco's robust R&D programs have moved lighting technology forward with patented innovations that have been widely adopted throughout the industry that includes breaking new ground in the design and manufacture of high-efficiency LED lamps.

The highest quality and efficiency.

Every Satco product is designed, manufactured and tested to meet or exceed the highest industry standards for quality and performance. And we offer hundreds of products that have earned ENERGY STAR® certification. In fact, we were selected ENERGY STAR® Partner of the Year in 2009.

Over a million square feet of warehouse space.

The Satco brand has stood for quality, innovation and value in lighting products since 1966. From a 3,000 square foot warehouse in Elmont, NY, to more than 1.2 million square feet of U.S. Distribution space today. To be certain you'll have the parts you need where you need them, Satco maintains enormous amounts of inventories at our major distribution and sales centers in New York, Miami, Dallas, San Francisco, Seattle and San Juan, Puerto Rico, and at Satco Express stocking locations in Canton MA, Cincinnati OH, Charlotte NC, Chicago IL, Cleveland OH, La Mirada CA, Lavergne TN, Ridgeland MS and Syracuse NY.

Satco. An innovative family of brands.

LED lamps that only experience can deliver.

With one of the industry's largest R&D programs behind it, Satco is producing LED replacement lamps that meet all of the newest efficiency standards – and exceed user expectations for light output, color temperature, beam pattern, diffusion, and overall reliability.

Hygrade. The leader in commercial lighting.

Hygrade has been a trusted name in commercial and industrial lighting for more than a century. From fluorescent and compact fluorescent lamps to high intensity discharge bulbs of every description, Hygrade offers a variety of cost effective, energy efficient products for virtually any commercial application.

Nuvo. Inspired designs. Enlightened engineering.

Nuvo Lighting was launched in 2005 with more than 1,500 new lighting fixtures – one of the largest catalogs of any manufacturer – and our product line has continued to grow every year since. Today offering more than 3,000 chandeliers, pendants and sconces in designs that range from classic to contemporary, from elegant to understated and from simple to stylish.

As an ongoing effort on behalf of Satco Products, Inc. to remain dedicated to the improvement of our products, we reserve the right to change specifications. The information contained in this specification guide is subject to change without notice. We cannot be responsible for typographical errors.

Counter cards

Place these informative cards in other busy departments to remind customers about their lighting needs.

At Satco we don't just bring great products and great value to market. We help our products sell! We offer powerful in-store selling tools to help make the lighting center a focal point and profit center.

Educate customers and increase sales!

Satco hanging signs and gondola headers clearly call-out the lighting center while shelf strips and aisle flags indicate lamp technologies to help customers find exactly what they're looking for. And the shelf strips correspond to the attractive, informative Satco packaging! Our educational gondola headers educate consumers about all the current lighting technologies, the energy efficiency of each and what energy savings they can expect from each.

Counter cards, hanging signs, shelf-talkers and gondola aisle flags all help customers find the exact replacement lamp they need.

Let Satco help you increase your lighting sales dramatically! For information and how to order, please contact your Satco sales representative.

Logo banners

Measuring 5' x 2', Satco logo banners can be strategically placed, indoors or out, to direct customers to the lighting aisle or simply make customers aware you carry Satco lighting products.

(Can be ordered separately)
Each strip measures 12" long
Item # SA1265

Packaging

Satco retail packaging is informative and attractive, creating an easy to navigate presentation for your customers. Coupled with consistent branding, lamp technology types are clearly indicated and all government regulations are adhered to for lumen output, wattage and cost to operate. Satco packaging makes choosing the right lamp easy.

Gondola shelf technology strips

Indicate what technologies are on what shelves. Grouping products by their technology has been shown to help customers find the products they want easily.

Shelf talkers

Are an important silent salesman, explaining a sale or calling attention to a new product.

LED PAR LAMPS

Familiar appearance.
High efficiency.
Direct replacements.

Introducing Satco LED PAR Lamps.
LED efficiency, indoors or out.

Satco LED PAR lamps have the familiar look of the Halogen PAR lamps they replace, but deliver the high efficiency that only LEDs can. With the silvered reflector, traditional lens pattern, and exact dimensions of older Halogen PARs, Satco LED PARs represent an exact replacement. The only difference will be the greatly reduced energy and maintenance costs!

7W LED PAR20 lamps

Applications / Features

- 50W PAR20 replacement uses only 7 Watts
- Down lighting
- Track lighting
- Dimmable
- IP65 Listed - indoor/outdoor
- Approved for totally enclosed fixtures
- 3 Year warranty

HIGH LUMEN LED LAMPS

Hi-Pro LED shoe box lamp series

High lumen, directional lamps for industrial and commercial fixture applications

Applications / Features

- For use in shoe box fixtures
- 80/110 Watt options (10,000/14,000 lm) replaces 250/400 Watt HID
- Replaces HID
- Approved for totally enclosed fixtures
- Damp location
- Direct wire range voltage 100-277V
- Higher efficiency, improved heat dissipation
- 2 CCT options
- Expandable 180° beam design w/adjustable base (E39)
- Horizontal operation
- 5 Year limited warranty

Hi-Pro LED temporary hi-bay caged lamp series

High lumen, omni-directional lamps for industrial and commercial work areas

Applications / Features

- For use in any commercial work area
- 60/80 Watt options (7200/9600 lm)
- Includes 3' power cord/plug and hook for easy installation
- Replaces HID, CFL, and Incandescent
- Direct wire 120V
- Approved for totally enclosed fixtures
- IP64, higher efficiency, improved heat dissipation
- 360° Omni-directional light
- 5 Year limited warranty

LED/CFL LAMPS

LED/CFL direct replacement lamps

4-pin (electronic ballasts)
2-pin (magnetic ballasts)

Applications / Features

- UL Classified
 - 4-pin 26, 32, 42 Watt direct replacement
 - 2-pin 26 Watt direct replacement
- 4-pin lamps fit G24q-3 & GX24q-3 and GX24q-4 sockets
- 2-pin lamps fit G24d-3 & GX24d-3 sockets
- No re-wiring needed
- Instant on to full brightness / no flickering
- Vertical and horizontal options
- Up to 70% energy saving
- Long life—50,000 hours
- 5 year warranty
